

WE8 for Lovers of Speciality Coffee

Wherever customers, staff and visitors can enjoy superlative coffee, the atmosphere is relaxed, communicative and productive. Anyone who appreciates the finer things in life, a wide choice of speciality coffees and aesthetics, will love the WE8. A water tank with a 3 litre holding capacity, a bean container for 500g of coffee beans and a coffee grounds container with a capacity of 25 portions make the elegant professional coffee machine the ideal solution for locations where around 30 speciality coffees are consumed per day. Innovative technologies revolutionise the enjoyment of coffee. The one-touch function creates trend specialities like latte macchiato, flat white or cappuccino very simply at the touch of a button. Buttons on the front of the machine and a modern TFT display make operation incredibly simple, even for inexperienced users.

Benefits

- Pulse Extraction Process (P.E.P.®) optimises extraction time to guarantee professional quality, barista-style coffee
- The Intelligent Water System (I.W.S.®) automatically detects the filter while the CLARIS Smart and CLARIS Pro Smart ensure perfect water quality
- Buttons on the front of the machine and a modern TFT display make operation incredibly simple, even for inexperienced users
- Cappuccino spout, height-adjustable on a continuous scale for cappuccino, latte macchiato and flat white topped with fine foam at the touch of a button

Specifications

Specific advantages

Latte macchiato at the touch of a button	1
